MULTI PROCESSORS FOR DEMOLITION & RECYCLING

Let our 360° continuous rotation multiprocessors maximise your work efficiency on site. With interchangeable jaws you can quickly change the multiprocessor from a dedicated steel shear to a pulveriser to suit your work type. So you always have what you need with this versatile 2-in-1 tool.

Simply decide which jaw will give you most productivity and change as needed.

Changing jaws is simple and can easily be achieved in under 5 minutes.

Hire this 2-in-1 Attachment for Primary or Secondary Demolition
